

Monica Korf, Attorney, is to be approached to place the notice of the [nhoa.co.za](http://nhoa.co.za) website in the local newspaper's legal column, one in English and one in Afrikaans.

This notice, when placed in this way, is the legal requirement of the Constitution with its Addendum and no notices need be posted to any of the addresses. The reason for this is that members are not advising the Association of their address details and phone numbers, which is their personal responsibility to do so.

## Normandie Home Owners Association (Brackenfell)
